

From insight to impact.

INNOVATIVE SOLUTIONS FOR GOVERNMENT

K2K Ohana LLC is an SBA 8(a) joint venture with Top Secret facility clearance, delivering data-driven technology and mission-focused professional services to federal agencies. The company blends KLSA's expertise in IT modernization, AI and advanced analytics, and strategy & operations support with K2's leadership as a Native Hawaiian Organization supporting defense and disaster response missions.

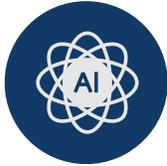

UEI: HCRZQSATYJ79 | CAGE: 17D75

TECHNOLOGY MODERNIZATION

We guide end-to-end technology modernization—aligning strategy, systems, and people to deliver secure, efficient, and mission-ready outcomes.

AI & ADVANCED ANALYTICS

We support AI adoption strategy and data readiness to advanced analytics that improve mission outcomes.

STRATEGY & OPERATIONS

We support resilient, well-governed organizations through strategic planning, emergency preparedness, workforce development, and program execution.

EMERGENCY PREPAREDNESS

We support federal agencies with end-to-end emergency management—from resilience assessments to on-the-ground response.

CONSTRUCTION & FACILITIES

We support mission-critical facilities and infrastructure through disciplined project management, construction oversight, and end-to-end facilities services.

WORKFORCE SOLUTIONS

We strengthen federal workforces through strategic planning, targeted staffing, and training programs that build capability, readiness, and long-term capacity.

BENEFITS OF AN NHO 8(A)

01

Sole-Source Thresholds

K2K Ohana may receive sole source contracts up to \$100M (DoD) / \$4M (federal & civilian)

02

No Protest Risk

Awards to entity-owned 8(a)s cannot be protested, minimizing delays and procurement risk (FAR 19.805-1).

03

Streamlined Procurement

8(a) program provides a streamlined acquisition path for federal agencies. Process can take 3-4 weeks vs. standard procurement of 12-18 months.

”

By combining KLSA's data-driven technical excellence with K2's government and private sector expertise, K2K Ohana will help agencies accelerate transformation and achieve mission success.
